Collect the NFT series Hilma af Klint - Paintings for the Temple from the official catalogue raisonne produced by Stolpe Publishing with the endorsement of the Hilma af Klint Foundation, presented by Acute Art and available on the GODA platform.

Whilst the Paintings for the Temple belong to the not-for-profit Hilma af Klint Foundation and will never be for sale, an official catalogue raisonné produced by Stolpe Publishing and divided in seven volumes was finalized this year. The second volume, Paintings for the Temple, contains Hilma af Klint's most important body of work. The digital continuation of the catalogue includes works in VR and AR produced by Acute Art. The 193 key artworks are offered as NFTs in an edition of two. One non commercial set will remain with the publishing house, the other set will be for sale on the GODA platform.
